APRIL / MAY 2022

KILBURN PARISH COUNCIL

KILBURN PARISH COUNCIL ANNUAL GARDEN COMPETITION

The Parish Council will be holding its annual garden competition this year.

A Member of the Council makes a short list and the Mayor of Amber Valley Borough Council judges gardens from the shortlist.

Everybody is entered by virtue of living in Kilburn.

Prizes are awarded—1st, 2nd and 3rd in the following categories:

- Floral
- Landscape
- Hanging Basket

Winners are notified by post and invited to the September Council meeting in order to collect their prize

Kilburn Parish Council

KILBURN PARISH
COUNCIL

Our next meeting will be held on Monday 11th April at 7:30pm. The meeting will be preceded by the Annual Parish Meeting commencing at 7pm—please see the separate notice included in this newsletter.

Following the resignation of Cllr Dean Warren and Cllr Kevin McDonald—there are now two vacancies on the Parish Council—anybody requiring further information should contact the Clerk.

Thank you for all the comments received with regard to the Christmas lights. A decision has been made that the lights will not go around the War Memorial, but that additional lights will be placed on the Christmas tree.

The Council also received offers of assistance to set up a community garden in the decommissioned Play Area on Fairview Close and we are sincerely thankful for those offers. We have now been informed that the Company from whom Amber Valley BC lease the land has gone into bankruptcy and the Council will be pursuing the matter with the legal team at Amber Valley BC.

We have also received volunteers for the Speedwatch Campaign (again – we are extremely grateful). Training will soon take place and you will soon see Speedwatch taking place in Kilburn and Denby.

You will see a separate article with regard to the Annual Garden Competition which will take place in its usual form this year.

The Council have submitted an application for a Grant from the Community Fund Lottery in order to complete the work at the nature reserve. In the meantime, Cllr Trevor Ainsworth has kindly donated £1000 from the Community Leadership Scheme for the project.

A community litter pick will be held on Saturday 23rd April—meeting at 11am in Church Street car park.

Residents wishing to hold a street party to celebrate the Queen's Jubilee should see the separate article. Please send us photos of your street party or any other celebrations which we can share in future newsletters.

Finally, The Neighbourhood Watch continue to look for a co-ordinator to oversee the Neighbourhood Watch in Kilburn. If you think you can help, please contact hello@derbyshireneighbourhoodwatch.co.uk or phone 03001228526.

If you have any comments on this or any other matters, please contact the Clerk at kilburnparishcouncil@gmail.com.

Council Notices

Kilburn Parish Council Meeting

**Your Parish Council needs your
INPUT AND SUPPORT!!**

The annual Meeting of Kilburn Parish Council will be held at 7pm on
Monday 11th April in the Village Hall.

This meeting is for residents to hear what the Parish Council has achieved
over the past year and for the Council to listen to resident; concerns and
suggestions.

Jubilee Street Parties

In 2022, Her Majesty The Queen will become the first British Monarch to
celebrate a Platinum Jubilee.

Residents wishing to hold street parties should look at the guidance on:
<https://www.ambervalley.gov.uk/community/queens-platinum-jubilee/>

Road closures will require a licence and residents are advised to follow the
guidance on the AVBC website.

Further advice can be found on www.streetparty.org.uk

Council Notices

Thank You from Gillian Humpston

“I would like to pass on my thanks to the good Samaritans who came to my assistance when I had a nasty fall when walking my dog on the 2nd February.

I was rather banged up and shaken by it, but several people came to help me and support me and care for my dog.

An off duty paramedic got me home. At the time I didn't think to ask for names to say thanks, but if I can use the newsletter to convey my gratitude I would like to, it restores faith in human nature. “

Kilburn Parish Council Meeting Dates for 2022

Date	Meeting/ Venue
Monday 11th April 2022	Village Hall at 7pm

Monday 13th June 2022	Village Hall at 7pm
Monday 11th July 2022	Village Hall at 7pm
Monday 5th September 2022	Village Hall at 7pm
Monday 10th October 2022	Village Hall at 7pm
Monday 14th November 2022	Village Hall at 7pm
Monday 12th December	Village Hall at 7pm

Cllr Trevor Ainsworth

Keeping You Up To Date

As you receive this newsletter Derbyshire County Council will have, all being well, removed its Covid secure measures. We have however brought in new working practices that are allowing those who want to work from home to continue to do so. This is minimising the face to face contact staff are having .

The virus has not gone away and although the newest strain does not seem to be as dangerous, I am aware of quite a few people whose illness although milder is lasting a lot longer. It does no harm to continue to wash hands thoroughly and keep as safe as possible.

I do hope you are all well and coping with the new found freedom that most of us are able to enjoy. We just need the weather to get a tad warmer!

Most of the local villages are now well into planning the celebrations for the Queen platinum Jubilee. Those involved in organising special events, have been in touch and assisted where possible with funding from Derbyshire County Council.

Vision Derbyshire

Two initiatives to support Derbyshire businesses are being run as part of Vision Derbyshire– a partnership of Derbyshire councils working to improve the way the councils work together and improve services for residents.

The Derbyshire Festival of Business, coordinated by University of Derby and the East Midlands Chamber of Commerce, has been set up to help businesses recover from the Covid-19 pandemic, offering a wide range of free workshops, masterclasses and networking activities at derby.ac.uk/business-services/fob.

The Vision Derbyshire Business Start Up Programme provides help and advice to Derbyshire residents looking to set up their own business and throughout the first year of trading. Derbyshire.gov.uk/visionderbyshirebusinesssupport.

Towards Work Project

Are you looking for personalised support to help you get back into work, education or training? - or do you know someone who is?

Derbyshire County Council are supporting the Towards Work project which helps Derbyshire residents to overcome barriers and get on the road to gaining employment.

The scheme offers free tailored one-to-one support for around 12 months including supporting an individual to remove barriers preventing them to move on their journey. This is followed by CV building and interviewing skills, support with costs for childcare, travel, work equipment and gaining qualifications and up to a further three months support once you get a job.

It's open to anyone who lives in Derbyshire and is over the age of 16, but 15 year-olds who are not in work, education or training or are at risk of falling into this group are also eligible.

More information can be found at www.towardswork.org.uk

Road damage

The incredibly wet weather we have been having has caused havoc with our road surfaces. If you see a pothole on a road or any other highways issues, take a photo and upload it when you report it. You gain access to the system by going to the Derbyshire County Council website and clicking "Report a Road Fault".

We are in the process of replacing our reporting system and the new system should be more responsive and looks a little different. Or just contact me on the details below.

If you have any issues that I can help with, please contact me.

BAGS PROVIDED**

Time to get walking again!

At this time of year we start to think about the mud drying up and getting out to walk in the beautiful English Countryside again, but where to find new and interesting walks?

[Derbyshire walks to download and print FREE! | Walking in England](#) has hundreds of walks to download and print, free, it also has books of walks, details of all the walking groups in the county and much more.

Whether you want to walk on your own or with a group all the information is there in one place.

John Harris (the custodian of the website) said 'There is so much walking information on the web but it is difficult to find. Walking in Derbyshire (part of the Walking in England website) has brought it together in one place so whether you are walking from home, or away on holiday, you will be able to find a walk suitable for you'.

With walks from half a mile to twelve miles plus long, and a note of suitability for pushchairs and wheelchairs, everyone can find a walk to enjoy.

So home or away, check out the websites and get walking!

John Harris

Kilburn Infant and Nursery School

The children at Kilburn Infant and Nursery school have had a lot of fun over the last couple of months.

We celebrated World Book Day 2022 on the 4th of March by dressing up as our favourite characters—we had a school full of Harry Potters, Gruffalos and Disney Princesses!

On Friday the 18th March 2022 we had our Comic Relief Red Nose 'Superhero Day'. Thank you to everyone for their fantastic costumes—we raised £119 for the charity!

Take care and stay safe, from all at KINS!

For weekly photos of learning, events, fundraising, visits, & activities, please see our school 'Facebook' page!

Joanne Baillie
Head teacher

<https://www.kilburnprimaryschool.co.uk/>

Spring is beginning to peep through at school now that the nights are lighter and down in the wood blossom has appeared on the plum trees, leaves are emerging on hazel and hawthorn and the daffodils are almost in full bloom.

We've also had a male and female mallard courting on the pond.... But no frogspawn as yet.

World Book Day 2022

As a way of promoting a love of reading, we recently celebrated the 25th Anniversary of World Book Day.

The staff shared a selection of their favourite stories and books with the children and the kitchen staff also provided a special World Book Day lunch.

However, the highlight of the day was to see the wonderful costumes worn by the Children and staff.

The KJS Band are off with a BANG

The children in the KJS Band are really enjoying their sessions with music teacher Mr Barks and are making great progress.

The 16 children play a range of different instruments including viola, violin, cello and flute and meet after school on Wednesdays.

Climate Change Exhibition

The Lower School's Climate Change topic was rounded off in spectacular fashion with our climate change exhibition.

Superb pieces of art, interactive displays, music, poetry, special guests, a letter from the Prime Minister and an amazing interview broadcast on the Radio Derby breakfast show all combined to create another truly memorable event led by our fantastic pupils

Trailblazer

Our Trailblazer Outdoor Learning programme is a very important part of our school ethos and our Specialist Leader of Education, Mr Goodburn and his team, work incredibly hard with all pupils, in all weathers to provide exciting experiences that not only support our curriculum but also the holistic development of our pupils.

Here are some recent pictures of their work in the wood.

ARTHUR MEDICAL CENTRE

Main Street, Horsley Woodhouse, Derby, DE7 6AX.

Tel: 01332 880249 Fax: 01332 781269 www.arthurmedicalcentre.co.uk

Workforce Update

Dr Sarah Hedgethorpe is relocating and is therefore unfortunately leaving her role at Arthur Medical Centre in April. Dr Hedgethorpe has been an important part of our team, both as a registrar doctor and a member of our permanent GP team and whilst she will be missed by colleagues and patients, we wish her the very best for her future career.

Unfortunately, we must also share that a member of our Practice Nursing team, **Angela**, is also leaving the Practice for another opportunity. Angela has proven to be an excellent nurse and offered us support during a very difficult period, through the pandemic and its impact on our nursing resource. Angela will also be missed by all our team and our patients, and we wish her all the very best.

I am pleased to confirm however that **Dr Megan Foreman** will be joining the Practice in June. Dr Foreman has worked at our practice in the past as a registrar doctor and we are delighted that she is coming to join us as part of our permanent GP team.

I am also pleased to confirm that we have completed recruitment for the anticipated gap in our nursing resource. Two Practice Nurses will join the Practice in May which also represents an increase in our nursing hours and an increase in patient-facing appointments. We will share details of our appointees in our next update.

Patient Services

As shared in our last update, many practices across the country reduced or suspended non-essential patient services to support the vaccination and booster programmes, in accordance with directions from the Government and NHS England.

Arthur Medical Centre maintained our usual levels of patient services and access throughout the booster campaign, although some non-essential services, such as minor surgery and ear syringing were curtailed or suspended or provided elsewhere like contraception

Now that the booster campaign is largely completed, we are now gradually reintroducing these services at our practice over the next two months. There are waiting lists for certain services which we will begin to work our way through as we begin to reintroduce these areas of work. We would therefore ask for your patience and understanding for any apparent delay whilst we address the outstanding work.

Winter access and increased appointments

Following the impact of the pandemic and vaccination campaigns, Primary Care and General Practice has been under a great deal of pressure both from a backlog of work and from increased patient demand. This has been reported widely in the media and great efforts have been made to satisfy patient demand and improve accessibility to Primary Care services.

With the support of the local Clinical Commissioning Group (CCG), Arthur Medical Centre has provided an additional **574 GP appointments** over and above our usual level of services from the period of January to the end of March. The majority of these additional appointments were face-to-face appointments. Most of this provision has been achieved with locum resources at significant cost. However, our focus has been on improving accessibility and responding to increased demand during the winter, which is always a very busy period in any year. We are delighted to have been able to provide this additional resource to our patients during our busy winter period but will be falling back to more normal provision from April.

Practice Statistics

As of end of Feb 2022, Arthur Medical Centre's patient list totals **9,005 patients** - an increase of 114 patients since the same point in 2020.

Over the month of February, Arthur Medical Centre has:

- handled **4,078 incoming telephone calls** (an average of 204 calls handled per working day)
- provided **4100 patient appointments** in total (an average of 205 per working day)
- Of these appointments, **1,817 were face-to-face appointments** (an average of 91 per working day) **68** patients did not attend their appointments and did not give notice of cancellation, which would have allowed us to offer these appointments to other patients who needed to access a clinician. This represents **17 hours of clinical time across the month.**

**Introducing the Anne Robson Helpline -
If you or someone close to you is dying, you can talk to us.**

At the Anne Robson Trust we aim to be there to listen to anyone who is struggling with the imminent death of someone they care about. We know that facing the end of life can leave you isolated and alone.

Calls are free and confidential – **Call us on 0808 801 0688**

Being able to access support whilst a loved one is dying is really important for a number of reasons. Gaining knowledge of what may happen towards the end and having a sense of 'preparedness' helps both the person dying and their family gain as much control as possible.

Please visit www.annerobsontrust.org.uk/helpline-service to find out more.
