

Kilburn News

OCTOBER / NOVEMBER 2022

KILBURN PARISH COUNCIL

Congratulations to the Garden Competition 2022 winners, who are pictured being presented with prizes by the Mayor of Amber Valley below.

On the Monday 5th September the winners attended the Kilburn Parish Council meeting, where they were awarded their prizes and certificates in recognition of the hard work that they have put in to make their gardens and the village look beautiful this summer. Well done to all the winners and the many more who were on the short lists. Judging certainly wasn't an easy task with so many talented and committed green fingers in our parish.

Added text, realigned lists, cropped and realigned picture

2nd - 42 Elm Tree Avenue

3rd - 10 Woodhouse Rd

Kilburn Parish Council

Our next meeting will be held on Monday 10th October at 7.00pm.

Residents are welcome to attend.

Two vacancies exist on the Council – if you have an interest in supporting the Parish Council to improve Kilburn for the residents - please contact the Clerk for further details.

Update on progress with work on the Nature Reserve - It is proving difficult to gain funding to progress the work on the nature reserve especially during the current economic climate. However, we continue to bid for funding – if only to complete work already undertaken thereby completing phase 1 of the project. The Council will update residents on progress as and when it happens.

Community Speedwatch has operated in Kilburn recently and the Council have been given the statistics for vehicles found to be speeding. The details of those vehicles have been sent to CREST.

There is great concern about the Amberline bus service which travels through Kilburn to Heanor. Amberline have stated that the route is not financially viable. This bus service is a lifeline to residents of Kilburn and there is no other service which travels to Heanor.

The Parish Council have written to the County Councillor and Borough Councillor as well as Trent Barton who operate the service asking for the decision to be re-considered.

We have also asked neighbouring Parish Council's for support.

The Parish Council is advertising for a Parish Warden – see the separate notice in this Newsletter.

A community Parent & Baby group is to be set up in the Village Hall. A donation will be made by Wood Lane Garage to enable the group to proceed. The Parish Council is to support the funding of hiring toys.

A resident has asked that we thank the staff at the Metro Stores for providing such a wonderful display of flowers this summer. The display has been much appreciated by residents.

The Remembrance Day service & parade will be held on Sunday 13th November – meeting at Bown Close at 2pm to parade to the War Memorial for a short service. This will then be followed by a service in the Baptist Church on Highfield Rd. Volunteers are always needed – if you would like to help – please contact the Clerk.

A reminder that there will be a Carol Service in the Baptist Church on Friday 9th December at 6.30pm.

At the time of going to press we have learnt of the passing of Her Majesty Queen Elizabeth II. The Parish Council was extremely saddened to hear the news and our thoughts and condolences are with the nation and the Royal family at this time.

There will be a dedication to Her Majesty in the next edition of the Kilburn News.

Vacancy for a Parish Warden

A vacancy has arisen for a Parish Warden. This is a practical maintenance role which will contribute to ensuring that the parish is clean, safe, well-presented and parish assets are maintained to a high standard. Hours: Will initially be 18 hours per week.

Pay: Currently £9.27 per hour

The successful candidate will have experience of undertaking minor repair and maintenance tasks.

They will ideally have experience of working in a similar environment and will be able to work independently and manage their own timetable of work.

Further information can be obtained from the Parish Clerk – including a job description and person specification.

Please submit your application and cv including your career history, skills and why you feel you would be suitable for this role to:- The Parish Clerk, Kilburn Parish Council, 33 Hallgate Close, Oakwood, Derby DE21 2QY or kilburnparishcouncil@gmail.com.

Closing date for applications: Friday 14th October 2022.

Meet your Parish Councillors

In each issue going forward we will be introducing one of your Kilburn Parish Councillors.

Left to right,

Top row: Chairman David Hall, Vice-Chair David Earnshaw, Kelly Parker, Carl Riley, Megan Hill, Barbara Lambert

Bottom row: Tracey Bailey, Eric Hetherington, Clerk Sheila Matthews

Added comma between eric and Sheila

There are currently two vacancies to join the Kilburn Parish Council. We invite residents from throughout our community – the only requirements are that you are over 18 and have lived here for at least 12 months. For more information please contact kilburnparishcouncil@gmail.com

Cllr Trevor Ainsworth

Keeping you updated

Please can we lose the frame around this article on this page as it makes the next page look like a different article

Hi all

I hope that you have managed to enjoy the Summer holidays.

Her Late Majesty, Queen Elizabeth II

As I write this I have just returned from Derby Cathedral, where I was attending The Civic Service of Commemoration and Thanksgiving, for Her Late Majesty, Queen Elizabeth II. It was a gathering to give thanks for the life of our Late Queen, to express our deep sorrow at her death. I was invited to represent the residents in the Horsley Division. It was very moving, and we sang a couple of her favourite hymns.

Bywell Lane

Apologies for the length of time that Bywell Lane was closed. However, as anyone that has used the new pavement, what a difference it has made. During the closure one dangerous tree was taken out and all the other trees and growth was surveyed, more work was identified, but at the time there were nesting birds present and it could not be done.

Keeping Warm This Winter

Amber Valley Borough Council have received a grant from the government that is available to help you keep you warmer and help counter the current increases in energy prices we are all facing.

The main measure that is being offered for installation is external wall insulation but, depending on suitability they may also include loft insulation and cavity wall insulation (subject to survey). If you meet the following conditions:

You could qualify if you answer 'yes' to the following questions:

Is your property off-gas/does not have a gas boiler for heating and hot water?

Do you own your own home? - if you rent your property, we will need permission from your landlord as they will be required to make a contribution towards the work

Do you have a total household income of less than £30,000 a year (before tax)?

If you know the EPC rating of your home, is it D or less? To find out whether your property has a valid EPC visit www.gov.uk/find-energy-certificate

If you answered 'yes' to the previous questions and believe you are eligible, then please contact AVBC, either by:

Phone on 01773 841517 Or by email at david.cox@ambervalley.gov.uk

Free School Meals

Derbyshire County Council are encouraging parents of children aged 3 to 18 to check their eligibility for free school meals.

Parents can sign up to free school meals at any time of the year and the process is quick and easy.

To qualify, parents should be in receipt of one of the following:

- Universal Credit, provided they have an annual net earned income not exceeding £7,400 (£616.67 per month)
- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- support under Part 6 of the Immigration and Asylum Act 1999
- the guarantee element of State Pension Credit
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190) as assessed by HMRC
- Working Tax Credit run-on (paid for 4 weeks after you stop qualifying for Working Tax Credit)

Find out more and check if you're eligible for free school meals go to the Derbyshire County Council web site and type in the search bar "free school meals" or call the team on 01629 536481.

If you think there may be anything else I can help you with, please contact me

Kilburn Good News Stories

- Bake sale success, the community came together on Tuesday 30th August to raise an exceptional amount of money for The Brain Tumour Charity. More about this on page 9.
- New Baby and toddler group comes to Kilburn, more on page... 16
- The Kilburn Community Association Facebook page revamp has been a huge success with the page being "liked" by over 370 people and the content reaching 12K people since June
- The Kilburn Community Questionnaire received 184 responses, providing vital feedback and direction to the council, more on page....8

To add your good news stories to the next issue please email –Kelly.Parker.Kilburn@gmail.com

Community shares thanks for Parish Warden Mark

 178  35  2

Line too thick on bottom two boxes needs to match top

At the end of August we shared on our Facebook Page that Mark Johnson was retiring after completing 27 years of service as Parish Warden in Kilburn. The response from our community was fantastic with 215 reacting to the post and 85 comments. We wanted to share some of the sentiments below.

“Hope to still see you around for a chat Mark, Enjoy your retirement, you worked hard keeping the village looking nice all these years, take care of yourself x “

“Mark. You have been a constant and integral part of the fabric of the village for so long and I remember you fondly. So many don't appreciate how important your role has been and you did it with professionalism and pride. Enjoy a well earned retirement. Ill be raising a glass to you tonight. “

“Enjoy the rest Mark and thankyou for all your years of service and making people's days better just by saying Morning or having a chat xxx “

Please can we have reference to FB page back?

Is the text looking smaller than normal?

.....That's because it is, in this issue we are trialling a slightly reduced font size, going from size 14 to size 12. We are trying to find a balance between fitting in all the content that we feel will be of interest and ensuring that everyone in our community is still able to read the newsletter.

If you have any feedback please email kilburnparishcouncil@gmail.com

Thanks for your feedback

A sincere thank you to everyone who replied to the community questionnaire that was distributed with the June Newsletter. We received 184 detailed responses which are invaluable in directing us to where we should be focusing our attention for the coming years. Over the next 6 months we will be putting together a formal parish council action plan that will provide structured guidance to direct our projects and resources.

We are grateful that there is plenty for us to get our teeth into and pleased to see that a lot of the feedback received aligns with directives that the council is already working on, thanks to previous input from parishioners and our own experiences living and volunteering within the community.

As always the work that we do will be in partnership with other local authorities, government bodies, local groups and resources that we are able to access. Also the residents of Kilburn—this is not just a directive for the councillors, it is a community plan and we always need your eyes and ear out there in our village and the support of the community when we ask for it.

It is still crucial that we receive on going feedback from the community and it is never too late to have your say – Please contact kilburnparishcouncil@gmail.com with any concerns or feedback that you may have so that will can include new challenges as the crop up

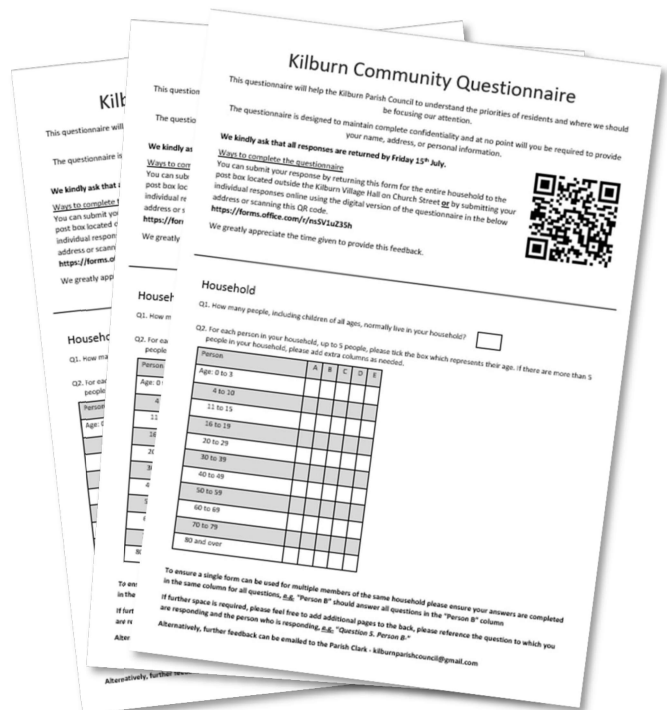

As your parish councillors we love what we do and are proud of the opportunity we have been given to enhance Kilburn as a great place to live. Being all volunteers ourselves we greatly appreciate the support that we receive from the community.

We will be producing and issuing a document with the collected responses from the questionnaires in early 2023.

In the meantime we are still progressing the projects that we have ongoing, which we will continue to keep you up dated on via the Newsletter, website, news boards and our Facebook page

Many thanks

Your Kilburn Parish Council

Gillian Humpston has asked to say a big 'thank you' to the staff the Metro shop, "they have put on a lovely floral display all through this year. It makes me smile every time I see it and I'm sure I'm not the only one to appreciate it. Thank you"

Local Fundraising Success!

So on Tuesday 30th August we held a 'small' bake sale, with a Tombola and a bottle stall and a last minute addition of name the Reindeer.

We say small because we were worried hardly anyone would come and we would be left eating cake for the rest of the week!

Well, We should never have worried ...We started at 4pm, we then had a crazy hour selling cakes, selling Tombola tickets and by 5pm we were a sell out and packing away!

We should never have doubted the communities we belong to..... the Long Row school community, who turned up, bought cakes and donated online if they couldn't make it.

And of course, Kilburn. Yes, this little village in Derbyshire that we have belonged to and have done all our lives. This village who show their love, care and support to everyone and anyone in their hour of need....obviously We know the cake helped them along on Tuesday, but even without cake, this village always proves itself to be wonderful.

We have other communities that have also shown their love too. You are all fab and we love you all.

Even though it doesn't matter whether we had raised £20 or £200, I know you will all want to know that the current total is standing at around £1,200, including our Just Giving page, with another fundraiser, this time a walk and a raffle planned for October.

Hopefully all we raise will have an impact on The Brain Tumour Charity and maybe make another person's future a little brighter. Thank you everyone xx

Sarah Lonsdale and Anna Smurthwaite

Kilburn Community Speed Watch

Who are we?

Kilburn Parish Community Speed Watch is a voluntary team and is run in partnership with Denby Parish CSW team. We are strongly supported by both Parish Councils, who purchased the necessary equipment needed. At the start of this year there was a recruitment drive, and we are pleased to announce that there are two new coordinators, one in each parish and several new volunteers. Over the past months through training and meetings there has been a strong relationship built between the two parish teams.

What is the purpose of a CSW?

Community Speed Watch (CSW) is a scheme to allow trained volunteers to address speed concerns in their communities. Community Speed Watch supports the Police by monitoring the speed of vehicles through local communities. Community Speed Watch does not enforce the law but those identified as exceeding the speed limit can expect to receive an advisory letter from the Police. Community Speed Watch is designed to support the Police by making us all **aware** of the dangers of travelling too fast for the prevailing conditions.

The overall casualties in Derbyshire in 2019 and 2020 was a staggering 4,019. As I'm sure you will agree, this cannot continue. The work of Kilburn Community Speed Watch is aimed at reducing the above statistics and make our community a safer place.

Introducing Your Kilburn Coordinator

Hi I am Andrew have lived in Kilburn for 24 years & enjoy living in such a lovely area with my wife and family. last year I volunteered to be a CSW coordinator.

Prior to this I was a volunteer within the Kilburn CSW team. I wanted to volunteer because speeding in Kilburn and surrounding villages had been increasing over many years and become even more so post covid restrictions being lifted.

This was observed not only as myself as a driver with cars driving up to my bumper to then dangerously take over at high speed, but also through friends and family, complaints being aired on social media, complaints of near misses being raised with the Parish council and many pets being runover and killed also on the increase.

I have seen through doing CSW sessions that, it has had a significant impact on making people aware that they are speeding and through continued presence and education we can make a lasting difference and reduce the risks brought on us all by speeding in community areas.

As a volunteer coordinator, I hope to bring people together from our community who are concerned about speeding, give them a voice and an opportunity to actively participate in our awareness campaigns and roadside sessions, providing a vital link between trained volunteers and SNT's, specialist policing units and our Parish Council. This helps our CSW be as effective as possible. working together is always the best.

Going forward, You are being listened to, your views count!

Currently the team and I are working closely with Kilburn Parish Council. They have recently published a questionnaire, and under the heading “**what would be your policing priorities**” speeding was at the top of concerns with 60 out of 171 residences making this their number one priority and there were specific comments as to the areas of concern.

Taking this information, I have been around to view those locations and the entire village with a Parish Councillor. We are now currently applying through the Derbyshire CSW for more sites, there are 16 in total. Not all will be suitable, but we have chosen several positions on those roads that were mentioned, plus a few other locations, so we are hopeful that we will, together be able to enhance our coverage further.

How can you help ... We need volunteers - Come join us

At present we are aiming to do a minimum of 2 speed watch sessions a month. We need more volunteers to cover this and the hopeful new locations to cover our communities’ concerns.

The sessions are no longer than an hour, they can be done at anytime of day as long there’s adequate day light, 2-4 persons need to be present per session. Full training is given by Derbyshire CSW along with myself and or the Denby Coordinator.

If you want further details or have questions, please contact me, Andrew Bailey:

admin@kilburnCSW.org.uk Or visit www.crestderbyshire.org. there’s also a lot of really useful information at: www.communityspeedwatch.org

Can you help marshal the Remembrance Sunday Parade?

Every year the Kilburn Parish Council puts on the ever popular Brass Band led Remembrance Sunday Parade, last year with approximately 250 residents in attendance.

We will be doing the same this year on Sunday 13th November.

To hold this event safely we close the roads that the parade route follows, at each of the junctions we need volunteer marshals to close the road when required and re-open it again when the all clear message is given. High-vis vests and radios are provided and we station two people at each junction. At the busier Junctions road-closure signs are used.

We are currently looking for at least 12 volunteer marshals. We require all volunteers to be over 18 and able to meet the physical demands of standing for a length of time and walking up to 1 mile.

The Remembrance Parade is always a popular event which brings together residents throughout Kilburn and is high in community spirit.

If you are interested in volunteering to marshal this event or have any questions please email kilburnparishcouncil@gmail.com or call 07877 356262

The parade will be leaving Bown Close (off Mayfield) at 2pm. Please feel free to join us to walk the whole route or join us part way. The parade will arrive at the War Memorial for 2.30pm (short service of commitment) then parade to Baptist Church for service.

Kilburn Infant & Nursery School News

It has been lovely to welcome back all of our children and families and to meet our new Nursery starters. We have also welcomed 45 Reception children into school so it will be a very busy start to the school year for us!

All of our children are enjoying 'Memorable Experiences' to begin their 'Question-based Learning Projects', including a Y2 Owls 'Street Detective' search for buildings in Kilburn and an African Drumming workshop, a 'Superheroes Olympics Day' for Y1 Foxes and Reception Mice exploring all of the school buildings and grounds.

Our special 'Sports Thursdays' have begun again with Mr Smith, our Amber Valley Coach, and our Nursery children are back in the Junior School Nature Reserve every week for their 'Forest Schools Fridays'. All children will take part in the 'Jeans for Genes' charity fundraising day and 'Children in Need' later in the term and our Harvest collection will be donated to the local food bank charity, 'Hope for Belper'.

Extra activities this term will include an NSPCC assembly 'Speak Out, Stay Safe', a visit by PC Lovatt with his Police car for Foxes, Infant 'Special Assemblies' for families, Games/Movie Nights, a Halloween themed day, Rudolph Cards project and whole school learning about 'Remembrance Day', 'Bonfire Night', 'Diwali' and 'Christmas' and 'Black History Month'.

We would also like to take this opportunity to thank everyone for their support and fundraising for our extra special Infant visit to Anderby Creek seaside in July. We all had an amazing day and it was fantastic to see the children laughing and playing in the sea, on the sand and having an ice-cream – especially all of the children who have never been to a seaside before.

With best wishes from all at KINS!

Joanne Baillie

www.kilburnjunior.school

Back in Business

It has been lovely to welcome our new year 3 pupils this and to see our boys and girls in years 4, 5, and 6 return after the 6-week holiday.

The children have been talking about the sad loss of Queen Elizabeth II and remembered fondly her recent Platinum Jubilee celebrations. We have also talked of the legacy she has left behind and how her passing marks an important historical milestone

Over the next few weeks, the children will be making a lasting memorial to the queen in school, so we will send further updates in the next addition.

Strange happenings down in Trailblazer Wood....

Mr Stink made an appearance in Trailblazer this week, having been discovered sleeping in the straw house.

He talked to the children about what it means to be homeless and the difficulties he has finding food and relying on food banks.

The children showed great empathy and decided to forage for items around the school site that they could cook for him. Using apples from orchard, the children baked him a delicious crumble which he really enjoyed.

It was also decided that after 14 years, the children should wash his underpants, so they made a fire, heated the water and popped them in.

Finally, they made him a shelter where he and the Duchess could sleep.

Maybe trying playing with the brightness / contrast on these photos as they are difficult to make out

World Restart a Heart Day - 16th October

Started in 2017, this day is supported by The Resuscitation Council UK along with the British Heart Foundation, British Red Cross, St John Ambulance, NHS Ambulance Service and Saving Lives for Scotland to help raise awareness of cardiac arrest and teach CPR.

If you have an out-of-hospital cardiac arrest in the UK, you have less than a one in ten chance of surviving. This can be changed by making sure that as many people as possible know that when someone collapses and stops breathing normally, it is important to quickly call 999, perform hands-only CPR and use a defibrillator. This gives everyone the best chance of surviving.

Hands-only CPR reduces your risk of catching an infection, and without intervention it's unlikely the person in cardiac arrest will survive. **Record numbers ; In 2019, an amazing 291,000 were trained in CPR through Restart a Heart Day.** On this day members of the public worldwide are encouraged to learn lifesaving skills such as CPR and how to use Defibrillators. In this article we are doing a bit as a Parish Council to raise awareness in our community, this information has been provided by the British Heart foundation and Resuscitation Council UK.

Kilburn Parish has 6 automated external defibrillators thought out our village purchased and maintained by the Parish Council this is to help save lives should there be an emergency.

Locations are:

Elm Tree Avenue

Dale Park Avenue

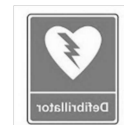

Kilburn Football & Social Club

Kingfisher Nursery

Kilburn Infants School

Kilburn Village Hall

The exact location can be found on our website link under "our community" click ; defilation information.

Follow these short steps to learn how to save a life:

- Shout for help and shake the person gently
- Look and listen for signs of normal breathing
- Call 999 on loudspeaker and tell them the person isn't breathing. The ambulance call handler will tell you where the nearest automated external defibrillator (AED) is. If someone is with you, ask them to fetch it and bring it back
- Interlock your fingers and start chest compressions twice per second. Don't stop
- If a defibrillator arrives, switch it on and follow the instructions

Continue CPR until:

- The AED asks you to pause while it reanalyses and gives another shock if needed
- A paramedic arrives and tells you what to do
- The person shows signs of life

For further information or if you want to receive training please visit or contact;
www.bhf.org = British heart foundation
www.resus.org.uk = Resuscitation Council UK or use the heart QR code

**LEARN CPR NOW
THERE WON'T BE
TIME LATER**

New Priest in Charge of the Benefice of the Denby Group of Churches

I'm delighted to have begun my new role over the summer which involves providing leadership, pastoral and spiritual care and encouragement to the churches and communities of St Clement's Horsley with Kilburn and Coxbench, St Mary's Denby, St Susanna's Horsley Woodhouse, St Luke's Loscoe and St James's Codnor.

Though originally from Zimbabwe, I've not had to move very far this time, having lived in Kilburn for the past couple of years – this is a beautiful part of Derbyshire, and I've really enjoyed being part of the friendly community here.

Most recently I've worked as a hospital chaplain at the Royal Derby Hospital where I met and supported many people facing the anxiety and uncertainty which a change in health often brings. I worked with families through loss and bereavement and enjoyed supporting the amazing NHS staff in the challenging work that they do, particularly through the covid pandemic.

I am looking forward to getting to know the local communities I serve, to listen to concerns, hopes, fears, particularly in these challenging covid-changed times where we've all been disorientated, experienced loss, and struggled to make sense of what has happened to us. We face difficult times of economic uncertainty and financial worries, new government, new King, ongoing war in Europe, much more evident climate crisis. We have choices to make about how we will live through these times, not just surviving them, but working our way through to something better than before. I look forward to working alongside others to find new, creative, inspiring responses to the problems and opportunities we face.

Your local church of whichever denomination is a great place to get to know new people in your community, and to be known, to find meaning, to be real about difficulty and pain, to find a bigger story to be part of with love, transformation and hope at its heart.

At St Clement's Horsley, we also have opportunities to learn to ring church bells, be a part of an amazing church choir, to help maintain the beautiful churchyard, to enjoy contemplative worship, music and silence, as well as the usual Sunday services of Holy Communion and Morning Prayer. Through Kilburn News we will keep you up to date with upcoming services and events, but information can also be found on our Facebook page, and www.achurchnearyou.com

There is always a warm welcome, and I look forward to meeting you.

Revd Tracy Robinson

St Clement's Horsley Church

There is a weekly practice for ringing the church bells every Monday at 7:30pm – drop in if you'd like to have a go.

There is weekly choir practice in the church every Wednesday at 6:45pm – you'd be welcome to join us anytime.

New Baby and Toddler group comes to Kilburn

We are so excited to share with you that on Sunday 18th September we opened the doors to the first of our fortnightly baby and toddler drop-in sessions.

In June we welcomed our little boy Henry, early on we found out just how helpful it was as new parents to be around other families with young children, to have other parents that are going through the same sleepless nights, to be able to laugh about the nappy disasters and to get advice from those who have also experienced all those new parent worries.

For us this casual, social support has been invaluable.

Unfortunately 4 weeks in and Lee needed to go back to work meaning that he was unable to attend the parent and baby activities and groups which predominantly run on week days, that is what gave us the idea of the **Kilburn Baby and Toddler Drop In Group**.

We want to create a safe social space for all parents, carers of young children and expectant parents to be able to come to get that crucial peer support. We are keen to ensure that the group is welcoming to everyone and by holding the group on Sundays it means that it can be attended by parents who normally work or are otherwise busy during the week.

With the ever-increasing costs ofwell everything we understand that many of our purses are feeling significantly lighter. We also appreciate just how expensive it is to grow a family, therefore the club will not have an attendance fee to ensure that everyone can attend.

We will gratefully receive any small donations from those attending the club to help cover costs and develop the club further (but this is not an expectation of attending) and will be looking for sponsorship support from local businesses who want help families in our community.

You can probably tell that we are really excited to be starting this group and bring together families in our community. We have big plans for the future, including themed sessions at Halloween, Christmas and Easter, picnics in the summer, family walks and baby and child table-top sales to help match outgrown clothes and toys with new owners.

For us this really is a project of love to benefit our community so we welcome any ideas or thoughts on how we can build this group even further and make it a success.

We are very grateful to have received financial support from Kilburn Parish Council and Woodlane Garage to help start this new community group

Hope to see many of you soon

Kelly, Lee and Henry

Kilburn Baby and Toddler Group

KILBURN

Baby and Toddler
Drop In

Sundays—fortnightly 9.30am - 11.30am at Kilburn Village Hall

Inviting all expecting, new and experienced parents to bring their little ones to get together once a fortnight in a relaxed safe space

Dads Welcome | Grandparents Welcome

We are looking for a **School Crossing Patrol** to support **Horsley Woodhouse Primary School**

Do you enjoy talking to people within your local community? Do you find it easy to build a rapport with a wide variety of people? Are you interested in the safety of our local children, and available for work during school term time but are not looking for full time work? If the answer to the above is Yes, then why not consider becoming one of our dedicated School Crossing Patrols.

Our School Crossing Patrols are dedicated individuals who help keep children and their family's safe on their journeys to and from school and are an important part of encouraging active travel by children and their parents.

We are always looking for people to join the team. No formal qualifications are needed, just a natural rapport with children and adults, alongside an awareness of road safety. If you've got the people skills to deal with children, drivers, parents, and teachers, we'll train you in the professional skills to confidently manage the traffic.

You will be paid throughout the school holidays and there are experienced supervisors to support you with the role.

The average hours would be between 5-8 hours per week.

If you are interested, you can apply online at please apply online by visiting;

www.jobs.derbyshire.gov.uk and searching for the **job reference number**

JOB/21/02330 or alternatively **call 07768 554 384** and we can send out an application form through the post. We are also more than happy to give you help and advice on filling out the form if necessary.

**23rd - 25th February 2023
at Horsley Woodhouse Church Hall**

Under 11s must be supervised by parent/guardian

**For more info head to our Facebook page
@stargazerspanto**

Enjoy your bonfire night celebrations safely

The advice given is to attend an organised event if you can rather than risking your safety by having your own bonfire or fireworks display. If you want to buy fireworks or have a bonfire for use in your garden, please follow the information below or visit the DirectGov website firework safety and bonfire safety for great safety information.

Fireworks

- Only buy fireworks with a CE mark. Don't buy fireworks from UNLICENSED retailers.
- Don't drink alcohol if you're setting off fireworks
- Don't set off noisy fireworks late at night and never after 11pm
- Never put fireworks in your pocket
- Never go back to a lit firework unless the instructions advise otherwise
- Never throw fireworks; it is dangerous. Never throw spent fireworks on a bonfire
- Never give sparklers to a child under the age of 5
- Only buy fireworks that comply with current safety standards
- Always keep fireworks in a closed box. Take them out one at a time and close the box
- Always supervise children around fireworks
- Take care around open flames such as bonfires and barbecues. All clothes can catch fire
- Be considerate. Let your neighbours know you will be having a display
- Carefully follow the instructions on EACH firework. Light fireworks & sparklers one at a time at arm's length with suitable gloves, at the end of the fuse

Bonfires

- Should be at least 18 metres (60ft) away from houses, trees, hedges, fences or sheds
- Use domestic firelighters - Never use petrol, paraffin or other flammable liquids

How do you keep animals safe on Bonfire Night?

- Walk your dog during daylight hours to avoid times when fireworks are likely to be set off
- Move your dog to the safe haven each evening before the fireworks begin. Provide toys and other things that they enjoy in the safe haven. Put on some music or TV to mask the sounds
- Make sure there are things for you to do too, so your dog isn't left alone
- Close windows and curtains to muffle the sound of fireworks. Blackout your doggy safe haven,
- Ignore the firework noises yourself. Play with a toy to see if your dog wants to join in, but don't force them to play
- Visit the RSPCA website For full information and support or call your veterinary service

Did you know that the misuse of fireworks is classed as Antisocial Behaviour and you can report it?
