

# Kilburn News

APRIL / MAY 2021

KILBURN PARISH COUNCIL

Welcome Back to the printed edition of the Kilburn News. It wasn't a decision which was taken lightly to stop printing production, but with a duty of care to our volunteers, the decision was made to make the News an online version only.

However with all of the positive comments which come about the quality of articles within the Parish Magazine, it was decided to pay a designated delivery person to ensure that we can safely get the news out to all residents. We look forward to seeing the volunteers back on duty when it is safe to do so in the Summer Months!

During the past couple of months it's been a rather busy time within Kilburn and many projects which have been being implemented by the Parish Council are now coming to fruition. You will see from all of the new articles, projects which had been delayed due to COVID and the inability to have meetings etc everything is now moving at a great pace.

We hope that during the coming year all villagers will be able to get involved in making the Village a place to be proud of. The village community litter pick will be one part which everyone can make a big difference and help make our parish a better place.

With the easing of Lockdown I am sure we are going to see more traffic and vehicles around the village, let's just hope the speed signs do it justice and slow some people down.

We would like to wish all Parishioners a Happy Easter and hope that you all soon will be able to see the people you love.

Keep an eye out for news on the Garden Competition too!

# Neighborhood Watch Update

The team at Kilburn & Denby Neighbourhood Watch hope that you have been keeping safe and well during the recent lockdown in response to the coronavirus pandemic.

With many more of us working from home, inevitably crime is on the increase and unfortunately in our local area we have seen a number of thefts and incidents crop up. 3 incidents of note would be the trying of property doors on Mayfield Avenue, the theft of a catalytic converter in Horsley Woodhouse and the theft of a caravan in Denby.

It is of vital importance that residents remain vigilant and make good use of the police 101 telephone number (which is now free!!) to report non-emergency incidents and also the use of the 999 number if a crime is currently in progress, a suspicious incident is taking place or life is in danger.

***We have also provided some basic crime prevention advice below to protect you and your property from these recent types of crime:***

## **Catalytic convertor crime**

1. Park to prevent access underneath your vehicle.
2. Mark catalytic convertors with a serial number.
3. Ask a garage to weld the bolts shut.
4. Invest in CCTV cameras
5. Park in well-lit areas
6. Install a car alarm

## **Caravan theft**

1. When parked or not in use lock the caravan in several ways using devices such as a hitchlock, locking wheel nuts, a wheel clamp, a wheel lock and steady locks. Visit the Sold Secure website for more information about caravan security devices. If using chains, ensure they are very heavy duty – go to the Sold Secure site
2. Do consider fitting a tracking device.
3. Fit an alarm and use it whenever the caravan is vacated.
4. Consider installing a caravan safe.
5. Consider hiding several identifying RFID electronic tags around the caravan in case a thief removes the visible vehicle identification numbers (VINs). Most caravans will already be installed with RFID tags under the CRiS scheme.
6. Windows, doors and rooflights should be closed and locked whenever the caravan is vacated. Consider supplementing any manufacturer's fitted locks with additional locks if appropriate.
7. Do not leave paperwork relating to the caravan inside the caravan, such as the CRiS registration form as this can help a thief to sell it on
8. Keep your caravan keys separate from the car keys and keep them on your person or when at home put them in an insurance rated safe.
9. Photographs of the interior and of identifying marks may be useful for later identification.
10. Ensure your CRiS registration details are kept up-to-date.
11. Make a note of serial numbers of equipment kept on-board.

**As always, if you become a victim of crime, would like the support of our team or would like to support our work, you can follow us on Facebook by searching 'Kilburn & Denby Neighbourhood Watch' or you can email us at [KilburnNHW@outlook.com](mailto:KilburnNHW@outlook.com)**

## Kilburn Parish Council

KILBURN PARISH  
COUNCIL

Following a request from the Parish Council and the Borough Council – Derbyshire County Council have undertaken repairs to the footpath which leads from Elm Tree Avenue to Woodhouse Road – residents will find that this footpath is now accessible and has been tarmacked to hopefully stop flooding for the future.

An ‘Honour Board’ will soon be erected outside the Village Hall. The ‘Honour Board’ will recognise the achievements of parishioners both past and present of service to Kilburn.

Fairview Play Area – the Parish Council is still pursuing with the Borough Council in turning this area (which has been decommissioned as a play area) into a community garden. The Borough Council are investigating the legalities. Once that has been completed, the Parish Council will be coming out to residents to discuss how this can be best facilitated with a working party setup. We would ask all residents to engage with what could be an excellent item for the community.

The Parish Council has been successful in obtaining a Grant of £15000 towards the upgrading of the nature reserve at Rawson Green. The fundamentals of this work are to make the nature reserve more accessible for anybody from within the village or surrounding areas.

A tender for the work has been accepted. A tree survey is soon to take place before work can commence as the reserve is overcrowded and has some diseased/badly damaged trees within it.

The Council has marked many memorial trees which will be preserved, however, if anybody knows of persons outside of Kilburn who have planted a memorial tree could they ask that they contact the Parish Council Clerk as soon as possible.

The Council would like to thank those residents and Members of the Council who have individually undertaken litter picking throughout the village – it is much appreciated. Litter appears to be a problem not only in Kilburn but nationwide. Please could we ask everybody to take their litter home and not drop for others to pick up. There has been a large influx of paper masks which are also being dropped, please take care as these are a cause of concern for Health & Safety and Wildlife.

A Community Litter pick is to be arranged for **SATURDAY 26TH JUNE** when it is hoped the current Covid restrictions will be lifted. Further details of this will be available on the noticeboards and the Parish Council website in due course.

Could we also ask dog owners to clear up after their dogs and use the bins provided or take home. Increasingly dog waste bags are being dropped either on the floor or being thrown into hedges.

Speed signs have now been installed in the village to hopefully make drivers aware of the speed limits within the area. We know that this will not stop everybody but a number of residents have already commented on the success of the signs.

The next edition of the Kilburn News will be delivered out to residents via our employed delivery person. There was a small hiatus while the Risk Assessment and Health & Safety of volunteers was reviewed. We thank all volunteers who have been delivering on our behalf and when safe to do so, they will be back to delivering for us around the village. Look out for the holders which are also now installed on the notice boards where editions of the Kilburn News will be put, if you do not get one at home.

The planters will be being installed over the coming months, all of the testing of the lampposts has been completed and the colour will be returning for another successful year like last year's display.

At the March meeting – the Council discussed the return of 'face to face' meetings. Currently, the law allows for remote meetings to be held until 7th May, however, this may be extended. The Council will make a decision with regard to the May meeting (due to be held on Monday 10th May) at the April meeting.

In the meantime, parishioners are reminded that if they wish to attend a remote meeting they should contact the Clerk on [kilburnparishcouncil@gmail.com](mailto:kilburnparishcouncil@gmail.com).

The Annual Parish meeting will take place remotely prior to the April meeting at 7pm on Monday 12th April. At this meeting a report is given by the Chairman of the Council's activities for the past year and Parishioners are able to ask questions.

Again, as above, please contact the Clerk if you wish to attend.

Many complaints have been received with regard to the gas works taking place on Ryknield Road. These complaints have been reinforced by the Parish Council and sent to Cadent the contractor concerned

**A vacancy has occurred on the Parish Council.**

**Any resident wishing to serve or requires further information should contact the Clerk ([kilburnparishcouncil@gmail.com](mailto:kilburnparishcouncil@gmail.com))**

## Councillor Kevin Buttery – Keeping you updated.

Despite no longer owning or having any responsibility for Greenwich Park at Ripley, AVBC has agreed to pay £5,000 towards a Feasibility Study for the owners, Ripley Town Council. I have objected to this and requested that this decision is scrutinised.

AVBC now publishes daily on the home page of the Councils website, the streets it has missed for waste and recycling collection. Recent published figures state the cost of delivering the service this financial year has increased by another £500,000, making next year's cost £4.1 million. It cost £2.6m in 2019.

According to the Local Plan timetable, the sites to be included in the Plan should have been determined in March and sent out for public consultation in April. No sign yet. I welcome the recent Government changes, in which Amber Valley no longer has to take any of the 2,375 houses on behalf of Derby City. The City are now legally responsible for their own housing need, albeit the Council still has a duty to cooperate.

Based on the fact that Amber Valley only has to find sites to deliver 7,125 homes and apparently has a 5year housing supply, I have requested that Cinderhill and other sites locally, should be taken out of the Local Plan. I also requested that all Greenbelt sites be removed from the Council's 'call for sites' list.

The Electoral Commission has determined that the number of elected members at AVBC should be reduced from 45 to 42. Consultation will be undertaken in respect of the shape of Wards, which I expect to follow existing parish boundaries. If you wish to have your say on where you think the Ward boundaries should be, visit [www.consultation.lgbce.org.uk](http://www.consultation.lgbce.org.uk) The Consultation closes on 3rd May.

Derbyshire County Council has agreed to spend £120m on the county's roads over the next 3 years. The investment will be aimed at resurfacing roads and pavements, improvements to drains and 46 road safety schemes.

The work will be undertaken by DCC staff, specialist contractors and will involve recruitment of an additional team of workers.

Across Derbyshire, there has been 59,000 residents and non-residents, who have undertaken

Covid-19 community testing, in which 587 people who showed no symptoms, tested positive. Regular testing does help in reducing the spread of the virus. In respect of Amber Valley, 10,071 took the test with 119 people being found positive.

As of 7th March, in Derby & Derbyshire, 376,951 people have been vaccinated with the first dose, which places us third highest in the Midlands and is a tremendous achievement by all those involved in its delivery.

I am pleased that Kilburn Youth Football Club was awarded two Action Grants totalling £3,514.

I am also pleased to support Horsley Woodhouse Carnival Association community clean up events in line with the 'Keep Britain Tidy' campaign, with a £300 grant from my Community Leadership Fund. Litter and Fly-tipping cost councils millions of pounds nationally, so it is brilliant to see residents taking pride in their community and working together to help to keep everywhere clean and tidy.

If there is an issue I can help you with, please contact me on 01332 781092 or [kevin.buttery@derbyshire.gov.uk](mailto:kevin.buttery@derbyshire.gov.uk)

## Council Notices

### **Message to all of our volunteers who help distribute the Kilburn News.**

You may have noticed that there was only the 'on line' edition of the Kilburn News for the last edition (a few copies were placed in local shops) the Council took the decision that they did not want to put our volunteers at risk during the current lock down and therefore did not produce copies for each household.

With this in mind - one person will be delivering the current edition thereby protecting our volunteers. This may happen for the following edition but will depend on the guidelines issued by Government.

**The Parish Council thanks you for your support and hopefully it will not be long before delivery returns to normal.**

### **Make Kilburn a Better Place.**

Over the last year during lockdown we have seen more and more people out and about in the much-needed exercise time each household gets to help their mental health and interact with others.

With more people outside within our village more and more litter is appearing on the streets making its appearance look unkempt. We would ask that while you are out during your walks, if you could pick up any litter and help in keeping our village tidy, we would really appreciate it.

A number of villagers early on last month walked a large portion of the village and collected 12 bags within an hour.

Our Parish Council leaders also collected 6 bags along Bywell Lane, this is in addition to all that the locally employed Parish Warden does.

However, we need to do more, this is our plea. Please can you all help in making our village a cleaner and tidier place for all to be proud of.

A community litter pick will be arranged Saturday 26th June, when restrictions allow.

This will have the support of our local Borough & County Councillor, Trevor Ainsworth who will be with us on the day assisting with the PPE required and collecting litter with us.

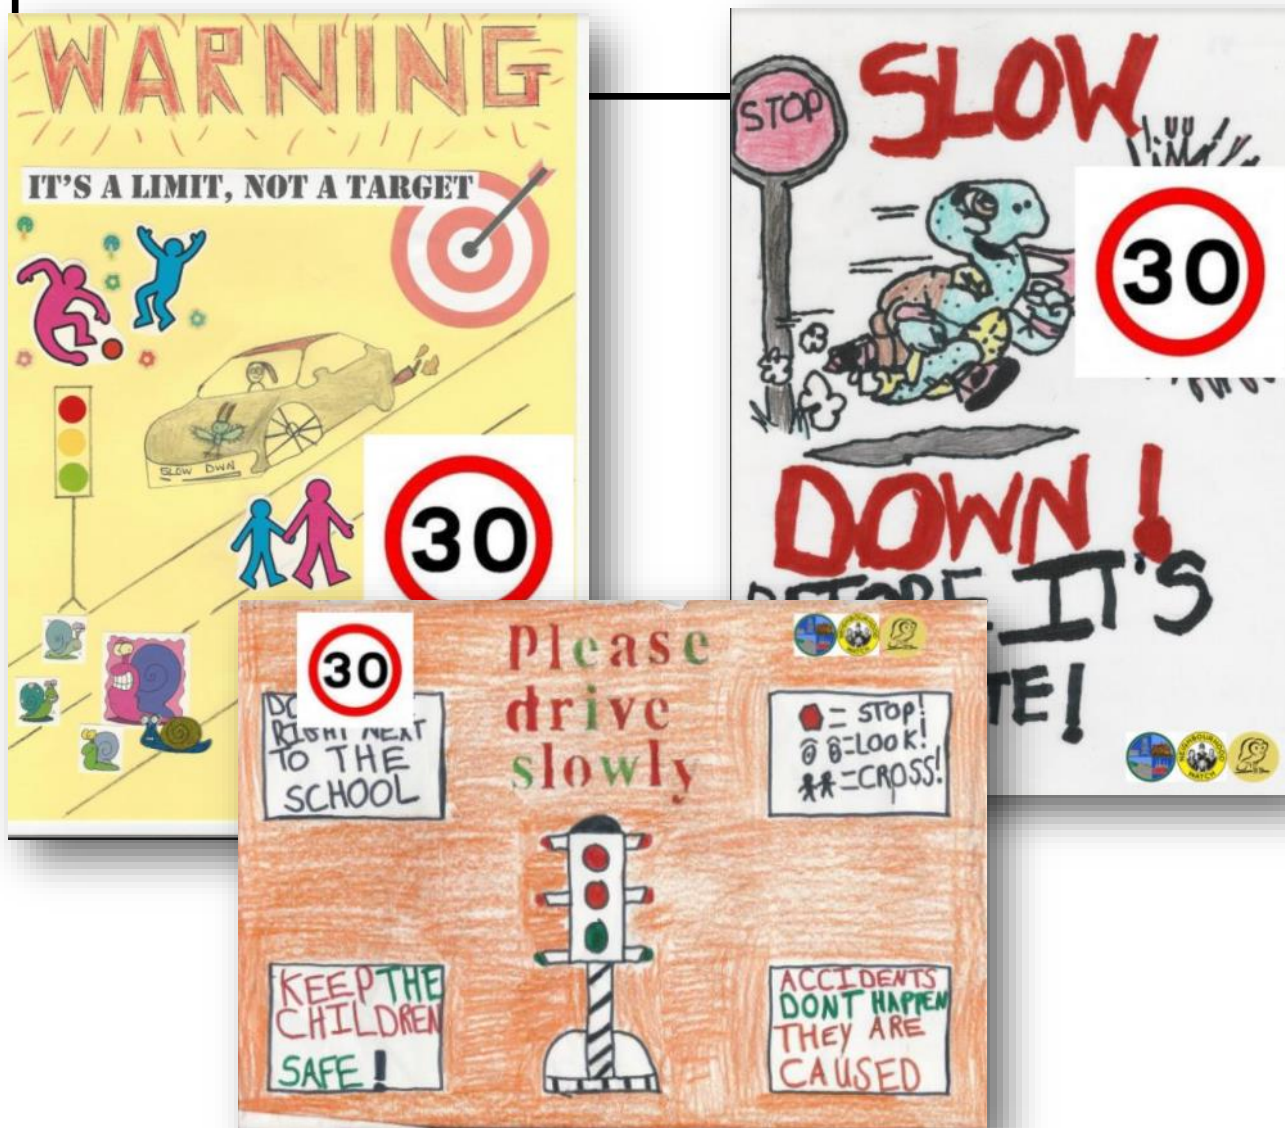

## Speeding

You will now all have seen the speed signs which have been positioned strategically across the village on all of the major roads.

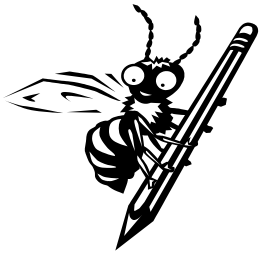

The signs were created by winners from a competition ran within the Junior School and a winner from each class was selected. The Parish Council then funded the purchasing of 70 of the signs to be used for display.

We are hoping with the signs now in place, they create a reminder for all people travelling through the village that 30mph is the speed limit.

We are aware that this will not stop all speeding and will be canvassing law enforcement and providing our support to the Neighbourhood watch speed awareness team to hopefully assist us in slowing people down through the village.

## Kilburn Infant School News

Our school fully opened again on 8th March and it is fabulous to see all of the children back with us! We are really proud of how well the children have settled back into school life. It is lovely to see them so happy, enjoying being with their friends again and to hear their laughter!

Here are some photos from our busy start back to school...

Take care and stay safe, from all at KINS!

For weekly photos of learning, events, fundraising, visits, & activities, please see our school 'Facebook' page!

Joanne Baillie  
Head teacher

## **ARTHUR MEDICAL CENTRE**

**Main Street, Horsley Woodhouse, Derby, DE7 6AX.**

**Tel: 01332 880249 Fax: 01332 78126 [www.arthurmedicalcentre.co.uk](http://www.arthurmedicalcentre.co.uk)**

Arthur Medical Centre is committed to the success of the Covid-19 vaccination programme and is working with local partner practices to deliver an effective, centralised service via Babington Hospital. The programme has been highly successful thus far and we have recently received a very positive letter from the Health Secretary, Rt. Hon. Matt Hancock, received via Pauline Latham MP, recognising that the provision via our Babington Hub is one of the best in England in terms of efficiency and performance.

We are working to provide vaccinations to patients in order of priority, in strict accordance with government guidance. Please be assured that we will contact patients when we are able to offer a first vaccination by telephone or SMS message.

We are also now inviting patients for their second Covid jabs, in the same priority group order as the first wave of vaccinations when we began in January 2021.

Again, we will contact you by telephone or SMS message as soon as we are able to invite you for your second Covid jab.

We are only able to help you with enquiries regarding vaccination bookings for our Babington Hospital hub. If you have a query regarding a vaccination that is not organised via our Babington hub, we will not be able to assist you with this and you should contact NHS by calling 119.

This Practice is open, as it has been throughout the pandemic, however a restricted service is currently provided to allow us to support the mass vaccination of our community.

We continue to offer telephone assessments for all requests to see a GP or Advanced Clinical Practitioner and you will be offered a face to face appointment at the surgery, if the clinician feels you need one.

## What you can do to help

Please help us by being considerate with your requests - and your expectations - when communicating with our reception and clinical staff. Please consider how urgent or significant your query or request is before contacting the surgery.

We want to reassure you that patient care is our absolute priority. You should still contact us if you have an urgent or pressing need and we will still do our best to help you when you need our services. However, many non-urgent matters or queries may be able to wait until this critical period is over, or may be best referred to another solution such as a centrally managed service or a community pharmacy.

## Covid-19 Update

Please find a brief timeline of this Government Covid-19 road map below,.

- **From March 29th**, outdoor gatherings (including in private gardens) or either 6 people (the Rule of 6) or 2 households will be allowed.
- Although the “stay at home” rule will end on 29th March, people are advised to still work from home where they can and minimise the number of journeys they make where possible.
- **From the 12th of April**, non-essential shops, beauty salons and public buildings will open. Indoor leisure facilities such as gyms will also reopen (but only for use by people on their own or in household groups).  
Outdoor attractions and settings including hospitality venues, zoos and theme parks will also open. Self-contained accommodation such as campsites and holiday lets can also reopen.
- Hospitality venues will also be allowed to serve people outdoors from the 12th of April.
- **From the 17th of May**, legal restrictions on meeting others outdoors will be lifted, however indoors the Rule of 6 or 2 households will still apply.
- Most businesses in all sectors will be able to reopen, including indoor hospitality.

We would like to thank the members of our community who have continued to adhere to the Government guidelines and ask that you continue to do so. Please use the Government website to keep up to date with the guidelines, as they are subject to change at any time.

## Wudhus News – Keeping the Villages Updated

### Tree Planting

In early December 2020, members of Horsley Woodhouse Parish Council planted 30 trees on the scrubland at the top of the Horeston Recreation Ground. The saplings planted were Cherry, Birch and Mountain Ash and protectors will hopefully keep the wildlife at bay until they establish themselves.

### HW Carnival 2021

It is with regret that the Horsley Woodhouse Community Association (HWCA) announces that the 2021 HW Carnival will not be going ahead again this year. Whilst it is looking more positive that outside events can go ahead from 21<sup>st</sup> June, the chances of the guidelines and restrictions changing again are high; thus, the committee have decided to look at options for other events that carry less risk and cost commitments.

Once the Government give clearer guidelines for outdoor open events then we will hopefully be able to put on a reduced event on Saturday 17<sup>th</sup> July, alongside other community activities. The Committee are looking at suggestions for virtual and community events over the next couple of months and will be confirming activities via our Facebook site. If you have any ideas for events/activities please do get in touch via Facebook:

[www.facebook.com/HorsleyWoodhouseCarnival](https://www.facebook.com/HorsleyWoodhouseCarnival) or email [secretary.hwca@hotmail.com](mailto:secretary.hwca@hotmail.com).

We will hopefully be kicking the series of events off with a community litter pick to coincide with the National Keep Britain Tidy 'Great British Spring Clean' campaign on 28<sup>th</sup> May to 13<sup>th</sup> June. Working in partnership with HW Parish Council and following a grant from Derbyshire County Council Community Leadership Fund, we will be supporting a village clean up weekend on 5<sup>th</sup> & 6<sup>th</sup> June.

Tania Pells - HWCA Chair

The Kilburn Village Hall is a fantastic venue, available to hire for family and children's parties, charity events, group activities for all ages, meetings and all kinds of regular or one-off occasions for small groups or up to 120 people. There is a free car park a few metres from the hall. Book early to avoid disappointment.

**Charges:** £12 per hour before 6.00pm - £15 per hour after 6.00pm.

For further information contact the Hall Manager: **07709 818683**

**Kilburn Village Hall is currently closed due to the Covid19 pandemic. The Hall Management is currently discussing when and how the Hall may be able to open. There will be further notices indicating when this will happen.**

SUBJECT TO:  
Four conditions that  
must be met at each  
phase of lockdown

# 4 STEP ROADMAP OUT OF LOCKDOWN

## STEP 1: 8 March

Schools and colleges are open for all students. Practical Higher Education Courses.

Recreation or exercise outdoors with household or one other person. No household mixing indoors.

Wingaround childcare.

Stay at home.

Funerals (30), wakes and weddings (8).

## 29 March

Rule of 6 or two households outdoors. No household mixing indoors.

Outdoor sport and leisure facilities.

Organised outdoor sport allowed (children and adults).

Minimise travel. No holidays.

Outdoor parent & child groups (up to 15 parents).

## STEP 3

At least five weeks after Step 2, no earlier than 17 May.

Indoor entertainment and attractions.

30 person limit outdoors. Rule of 6 or two households indoors (subject to review).

Domestic overnight stays.

Organised indoor adult sport.

Most significant life events (30).

Remaining outdoor entertainment (including performances).

Remaining accommodation.

Some large events (except for pilots) - capacity limits apply.  
Indoor events: 1,000 or 50%.  
Outdoor other events: 4,000 or 50%.  
Outdoor seated events: 10,000 or 50%.

International travel - subject to review.

## STEP 2

At least five weeks after Step 1, no earlier than 12 April.

Indoor leisure (including gyms) open for use individually or within household groups.

Rule of 6 or two households outdoors. No household mixing indoors.

Outdoor attractions, such as zoos, theme parks and drive-in cinemas.

Libraries and community centres.

Personal care premises.

All retail.

Outdoor hospitality.

All children's activities, indoor parent & child groups (up to 15 parents).

Domestic overnight stays (household only).

Self-contained accommodation (household only).

Funerals (30), wakes, weddings, receptions (15).

Minimise travel. No international holidays.

Event pilots begin.

## STEP 4

At least five weeks after Step 3, no earlier than 21 June.  
By Step 4, the Government hopes to be able to introduce the following (subject to review):

No legal limits on social contact.

Nightclubs.

Larger events.

No legal limit on all life events.

1. The vaccine programme continues to go to plan
2. Vaccines are sufficiently reducing the number of people dying with the virus or needing hospital treatment

## 4 Conditions to be met:

3. Infection rates do not risk a surge in hospital admissions
4. New variants of the virus do not fundamentally change the risk of lifting restrictions
