KILBURN PARISH COUNCIL

The poster features a dark blue background with a sunburst pattern. At the top, there are red and white bunting flags and colorful confetti. A small logo at the top center reads 'Kilburn, Denby & Horsley' with a stylized sun and waves below it. The main title 'KILBURN, DENBY AND HORSLEY CARNIVAL' is in large, bold, white letters. Below the title, the text 'Join us for a fun filled day! Lots to see and do for the whole family!' is written in white. In the center, there is a red and white striped tent with a yellow star on its front. To the right of the tent, a red starburst contains the ticket prices: 'Adults - £2', 'Children - £1', and 'Family of 4 - £5'. Below the tent, the date and time 'AUGUST 7th 2021 10am-5pm' are written in large, bold, white letters, followed by 'KILBURN WELFARE' in a similar font. Below this, the text 'ENTRY BY WRISTBAND, AVAILABLE TO BUY ONLINE OR AT VANITY HAIR AND BEAUTY SALON' is written in white. At the bottom, the contact information 'Facebook /KDHCarnival Email KilburnCarnival@outlook.com' is displayed. The bottom of the poster is decorated with colorful confetti.

Kilburn Parish Council

The Parish Council meetings are now being held face to face in the Village Hall with Covid 19 regulations in place. Our next meeting will be held on Monday 6th September at 7pm. Residents and press are welcome to attend, however, due to social distancing and shortage of space, anybody wishing to attend should contact the Clerk.

The PCSO, Mark Worrall attended the meeting held on 12th July to discuss the lack of policing together with anti social behaviour currently being experienced. The problems with speeding vehicles, especially on Ryknield Road & Woodhouse Road were also discussed.

A fence & stile is to be erected on the Pitfields footpath (running alongside the old chip shop) – this will prevent motorbikes and horses accessing the footpath.

Debris continues to be deposited on the footpath on Brickyard Lane. This is illegal ‘fly tipping’ and the culprit(s) will be reported to Amber Valley Borough Council.

We would like to thank the residents who took part in the recent Community Litter pick. 14 residents took part collecting 10 bags of debris. The Council are to discuss holding another litter pick in the Autumn – details will be advertised on the noticeboards and the PC website.

Dog owners are asked that they only remove 1 bag at a time from the Parish Council’s ‘poo bag holders’. Some residents are taking a handful at a time – there is a limited supply, therefore, this action prevents other dog owners from using them.

Update from Trevor Ainsworth

It appears that summer may have arrived as I type this newsletter, I hope you are looking after yourselves—keeping well hydrated and not forgetting to apply sun lotion.

As the restrictions slowly remove, I know that some of you will still be very nervous about venturing out and mixing with other people. It is safer now and if you follow the rules, that we are used to, not only will we minimise the chances of the spread of Covid-19, it will also help with influenza and other contagious diseases.

Bus Service Improvements.

Local people are being invited to have their say on plans to improve bus services in Derbyshire. The County Council is asking for views on a range of possible improvements to bus services in the county.

The strategy places a requirement on the council and bus companies in the area to work together to create a Bus Service Improvement Plan. This will involve developing plans for improving local bus services and encouraging more people to use them.

Some of the possible changes that the council is seeking views on are, better bus stop facilities, greener buses, more flexible services, on-demand services or anything else you can think of to make the service better.

Please take part in the online questionnaire and let them have your views so that together we can improve services in Derbyshire for you.

The consultation is at; ***derbyshire.gov.uk/busplan*** and closes on 29th August 2021.

Fostering

DCC have just launched their new 'All About Fostering' email bulletins. They will guide you through everything you need to know about fostering in Derbyshire in bitesize chunks through a series of six bulletins—each covering a different topic delivered straight to your inbox.

Foster carers from all backgrounds and communities, LGBT+, any ethnicity, race, culture or religion, single or in a relationship, married or civil partnership, any age over 21 are welcome. You can be in work or not, either rent or own your own home.

If you have a spare room and are interested in fostering, the fostering team would love to hear from you. They offer weekly payments, allowances and full training and support.

Improving Our Roads

Derbyshire County Council have commenced a major road surfacing programme, if you come across any of the new surfacing please be patient and drive slowly. The chippings can easily flick up and break windscreens.

You can report road defects on the Derbyshire County Council website and even add photos if you so wish, or just let me know and I will do it on your behalf.

Finally, please stay safe and enjoy the holiday season.

If you are holidaying in the UK, ensure that if you are travelling out of England that you can do so within the existing rules of that country.

Kilburn Nature Reserve – An Update

As many of you will be aware the Parish Council have been working hard over the last 6 months to ensure that the Nature Reserve and Memorial Garden is available for all Parishioners to access and get involved in the Nature Reserve.

During this time, a tree survey was commissioned as the forestry which had been installed over time didn't have the sufficient requirements to help all of the trees within the Reserve thrive. With this survey an amount of the trees which had either been planted within the memorial garden or in the nature reserve had to be felled. This was due to disease, stunted growth of that they would not be able to cope with the landscape. Any trees which had to be removed out of the memorial garden will be replaced once the reserve has been completed.

Another process now is for new pathways to be installed. Currently the pathways are marked out and have been sent out to tender to allow hard standing capability for anyone to be able to wander around the reserve.

New gateways have been installed to allow large vehicle access and also better capability for the Nature Reserve.

Additional phases of work are to be processed in the future which include, Planting of a wild flower meadow. Enhancing the stream bank to allow classes/groups to delve into the stream and look at the wonderful nature we have nearby.

If you would like to get involved, please do not hesitate to get in contact with the Parish Clerk. We want this Nature Reserve to be successful and hope that you will join us.

Neighbourhood Watch Update

With the summer months now being with us and crime across the area on the increase, we would recommend that residents utilize the following tips to protect themselves from becoming a victim.

- Always lock your shed, preferably with two 'hasp and staple' locks (one near the top and one near the bottom of the door) or use or an alarmed padlock.
- Secure your rear garden by locking entry gates with a padlock.
- Burglars can use garden tools to break in, so make sure you securely lock away any tools after use.
- Ensure boundary fences are secure and in good condition.
Spiky plants along garden boundaries are good additional deterrents.
- Gardening equipment should be visibly marked with your postcode and house number - this can deter thieves and help police identify the rightful owner.
- Remember to lock your garage door securely.
Metal 'up and over' doors can be secured with extra locks fitted either side and/or a floor-mounted locking 'T' bar with a closed shackle padlock.
- Wooden garage doors can be secured with two substantial 'hasps and staple' locks and closed shackle padlocks (your local DIY store can advise on the most secure options).
- Join Neighbourhood Watch to help reduce crime in your local area.
- Make your home look occupied.
- If you're out or going away, ask a trusted neighbour to open and close your curtains for you and pick up mail so it's not in view.
- Ask a neighbour if they do not mind parking their car on your driveway and trimming your garden to make your home look occupied.
- Cut the front and back lawns before you go away and trim any plants that burglars could hide behind.

- Cancel milk and newspaper deliveries.
- Don't advertise that you are going away on social media, such as Facebook, Instagram and Twitter.
- Make a habit out of checking that ground floor windows are closed and locked when you go to bed.
- Upstairs windows should be locked when the house is unoccupied.
- Consider fitting window and door alarms to increase security.

As always, if you become a victim of crime, would like the support of our team or would like to support our work, you can follow us on Facebook by searching 'Kilburn & Denby Neighbourhood Watch' or you can email us at KilburnNHW@outlook.com.

Council Notices

The Big Kilburn Clean Up!

On Saturday 26th June 2021 14 Residents and Councillors took part in the annual Kilburn litter pick which started on the Church Street Recreation Ground at 11am.

In total, 10 bags of litter were collected in one hour which shows a great effort from all involved.

Thanks go to Borough Cllrs Ainsworth & Hillier for providing litter pickers and bin bags, Cllr Kevin McDonald for donating gloves and hi-vis jackets, Cllr's Bailey, Beadell, Hall for facilitating the event and finally to all the amazing volunteers who kindly gave up their time to make the village tidier!

The parish council hope to arrange another litter pick in the autumn so please keep an eye on the next edition of Kilburn News for more information.

The Parish Council would like to hear your comments with regard to the Kilburn News - do you think the Newsletter is too large, do you think it should be reduced in size?

Are there any improvements you think should be made.

Please send your comments to kilburnparishcouncil@gmail.com

Church Services in Kilburn, Horsley and Denby.

With great sadness we have to report that Kilburn Methodist Church has now ceased to be a place of worship.

A recent inspection of the fabric of the ceiling in the church was unsafe and that the church could not be used until the repairs were carried out.

The prohibitive costs in effecting the necessary repairs to the required standard meant that the trustees had no alternative but to apply for the building to close.

Yours faithfully,
Keith Bryan.

St. Clemet's in Horsley and St. Mary's in Denby are currently holding services on alternative weeks. You will be most welcome at both churches. However, at present we still have restricted numbers, but hope this rule will be lifted soon.

Please ring Jan Jones on 01332 882929 for details of this.

August Services at 10:30am

1st August: Morning Prayer at St. Mary's.

8th August: Holy Communion at St. Clement's.

15th August: Holy Communion at St. Mary's.

22nd August: Morning Prayer at St. Clement's.

September Services at 10:00am.

5th September: Service for the Patronal Festival.

12th September: Holy Communion at St. Clement's.

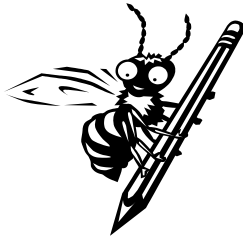

19th September: Holy Communion at St. Mary's.

26th September: Morning Prayer at St. Clement's.

Administrator of the Denby Group of Churches.

Kilburn Infant School News

We have had a very enjoyable Summer Term, although the Covid restrictions have still been in place across the whole school.

Events and activities have included Movie Nights, Class photos, and a 'Sun-safe Beach Party Day' to raise funds for new sun-hats.

We held 4 'socially distanced' Sports days for each of the year groups, sponsored events for Nursery and Reception children, new Starters meetings and all children have visited their new classes. Our Year 2s have also been busy with visits to the Junior School, practising for their recorded 'Leavers Show' and hosting visits from Junior Year 3s.

After saving-up our Premises budget allocation from the LA, we are very pleased to have installed new signage around the school, and a fantastic new surface on the Nursery playground, with the rest of the area in front of the Nursery building being re-surfaced in October.

On behalf of the school staff and Governors I would like to pass on our thanks for everyone's continued support this term and throughout the difficult and unusual school year!

We are sad to be saying goodbye to our fabulous Year 2 children, but are looking forward to meeting all of our new children in September! We hope that everyone has a lovely Summer!!

For weekly photos of learning, events, fundraising, visits, & activities, please see our school 'Facebook' page!

Here are some photos from our busy start back to school... Take care and stay safe, from all at KINS!

Kilburn Junior School News

info@kilburn-jun.derbyshire.sch.uk

Kilburn Junior School has continued to develop a sense of normality of the past few weeks as we have been able to offer the boys and girls the opportunity to reconnect with their friends and engage in a number of experiences both inside and outside of school

White Hall 2021

The children in Year 6 finally managed to visit White Hall Centre at the end of June, spending three days taking part in outdoor adventurous activity including abseiling, canoeing, mountain biking and climbing.

Y3 Entomologists

With the arrival of the warmer weather, the school pond area has sprung to life recently and the children have been fascinated with what they have found.

One group of intrepid explorers from Courage found the exoskeletons of metamorphosed insects...and discovered they were the casing of the Southern Hawker dragonfly!

Here are two of the girls with their 'treasure'!

The plight of the Bumble Bee

As part of our celebration of World Bee Day, the children in year five worked extremely hard to create the perfect environment for bees at school. They planted lots of bee-friendly plants, built shelters to protect the bees from the rain and created a watering hole for them to drink from too!

In addition to this, the boys and girls hung their bee boxes, made during Trailblazer sessions, creating bee hotels.

Lower School visit Bosworth Battlefield

As part of their study of the Tudors, our Lower School children walked in the footsteps of King Richard III and King Henry VII when they visited Bosworth battlefield.

They learned about the events of that day, the men who fought in the battle and the weapons that were used.

They even took part in a training exercise to get them ready for battle.

Year 6 Visit to Drum Hill

As a fitting end to their time at Kilburn Junior School, our amazing Year 6's recently visited Drum Hill Scout Camp for an action-packed day of fun and adventure.

The day began with the children using their recently developed navigation and map work skills to follow a course to Drum Hill via Horsley Castle.

After a number of other challenges throughout the day, including the famous Kilburn Junior Slip and Slide, the children enjoyed an evening BBQ before returning home with fond memories of their time with friends.

Community Pride - Litter Pick

Horsley Woodhouse Community Association (HWCA) organised a weekend of clean up and litter picking activities on 5th & 6th June, as part of the Keep Britain Tidy National Spring Clean. Locals, supported by the 'Litter picking' team (led by Keith Venables) turned out to collect 20 black bin bags worth of rubbish across Horsley Woodhouse. It was a good turnout with 22 people litter picking the whole village and adjoining roads including Lady Lea Road, Rkynield Road and Wood Lane. 1st Sitwell Scouts also supported the activities the following week covering Sitwell Recreation Ground, Church Lane and Stainsby Hall grounds and woodland. As well as litter picking, the Millennium Wall area and Methodist Church grounds were cleared of weeds, moss and leaves to spruce them up with a 'Spring Clean'. A huge thank you to all who came out and supported the village to enhance our sense of community pride and spirit

101 is now the number to call when you want to contact your local police – when it's less urgent than 999.

When should I call 101?

To report less urgent crime or disorder and for general police enquiries. For example;

- if your car has been stolen;
- if your property has been damaged;
- when you suspect drug use or dealing;
- to report a minor traffic collision;
- to give the police information about crime in your area; or
- if you'd like to speak to your local police officer.

How does it work?

You can call 101 to contact your local police force. The service is available 24 hours a day, 7 days a week. For more information visit **www.police.uk/101**

What does it cost me to call?

Calls from landlines and mobile networks cost 15 pence per call, no matter what time of day or how long you are on the phone.

Can I call 101 if I'm deaf, hard of hearing, speech impaired, or if English is not my first language?

Yes, If you are deaf, hard of hearing or speech impaired you can textphone 18001 101. If you have difficulty speaking English, your local police can access interpreters who can translate your call.

Remember, in an emergency always call 999.

For example this is when you need an immediate response because a crime is in progress; someone suspected of a crime is nearby; when there is danger to life or when violence is being used or threatened.
